Getting+Giving

the most from your **Assets**

When most people think about making a charitable gift, they think of giving cash from a checking or savings account. While we appreciate gifts of any kind to help support your church, there are many ways that you can give and benefit through making a gift of other assets to us. Making a gift of noncash assets can help you in the following ways:

- If you give appreciated assets, you can avoid paying capital gains tax
- You will receive a charitable deduction for your gift which can lower your tax bill
- You can make a gift today while preserving your cash for immediate or future needs
- You and your family can receive benefits such as lifetime income
- You may be able to make greater gifts than you ever thought possible

YOU MIGHT BE SURPRISED AT WHAT YOU OWN

What types of noncash assets do you own? A gift of any of these assets can provide you with benefits (such as income and tax savings) and help further your church.

- CDs and money market accounts
- Securities such as stocks, bonds, and mutual funds
- Real estate such as commercial, rental, farm, ranch and vacation homes
- Life Insurance Policies
- Tangible personal property such as art, coins and collectables
- Retirement accounts
